The HR Manager
Remnant Christian Network
Theological Seminary Adullam
No 4, Remnant Avenue, Opposite State Library
Makurdi, Benue State,

Dear sir,

I'm writing to convey my earnest interest in volunteering at Remnant Christian Network Theological Seminary - Adullam. I have a Higher National Diploma in Computer Science from Osun State College of Technology, Esa-oke, as well as a Postgraduate Diploma in Theology and Ministry from Remnant Christian Network Theological Seminary - Adullam, so I am well-equipped to contribute meaningfully to the seminary's mission and community.

My academic experience in computer technology and theology has given me a broad skill set and a distinct perspective on ministry and service. I am interested about combining technology with theology education to improve learning experiences and empower people on their spiritual journeys.

After completing my theology studies at Adullam, I am intimately aware with the seminary's ideals, culture, and commitment to excellence. I am enthusiastic to use my expertise and talents to help the seminary's activities, whether that means aiding with administrative work, moderating discussions, or giving technological support to improve online learning environments.

Furthermore, my experiences as a post-graduate student at Adullam have increased my appreciation for the seminary's role in developing theological understanding, encouraging spiritual growth, and preparing future ministry leaders. I am devoted to supporting Adullam's core values of integrity, compassion, and service.

Finally, I am excited about the opportunity to serve as a volunteer at Remnant Christian Network Theological Seminary - Adullam. I am certain that my educational background, abilities, and passion for theological education qualify me to contribute to the seminary's mission and community.

Thank you for considering my application. I am thrilled about the prospect of serving and learning with the great faculty and students at Adullam.

Sincerely,
Noah Abayomi Ogunniran.
